

PROFESSIONAL DEVELOPMENT @ THE AUSTIN SCHOOL

Do you work with students who can be tricky to manage? Do you want to explore ways to work with students who have a trauma background or display challenging behaviours at school?

Well come along to:

Managing Trauma & Challenging Behaviours in the Classroom

This highly engaging, hands on full-day workshop will explore the preventative strategies that assist students with challenging behaviours to be more successful at school. De-escalation strategies and Sensory Intervention techniques will be explored. A step-by-step management plan for when things get difficult and proactive behaviour support plans will also be covered.

Dates: 27th April 2018

Time: 9:30am to 3:00pm

Location: The Austin School, Heidelberg

Cost: \$100 per person

This workshop is appropriate for all school staff including Teachers & ES. The session also meets the VIT Special Needs PD requirement.

Interested? Fill in the registration form attached. Places are limited!

The Austin School provides specialised educational services to students aged five to eighteen years who have significant emotional, physical and/or psychiatric issues. Teachers work closely with the multidisciplinary team from Austin Health and liaise with the student's home school.

Matthew Di Domenica is a qualified teacher with a Master of Education (Special Education, Inclusion & Early Intervention). He has worked in both Mainstream Schools and Special Education settings. Matthew has worked at the Austin School for 5 years in both the Child Inpatient Program and Social Education Program.
