

PROFESSIONAL DEVELOPMENT @ THE AUSTIN SCHOOL

Do you work with students who can be tricky to manage? Do you want to explore ways to work with students who have a trauma background or display challenging behaviours at school?

Well come along to:

Managing Trauma & Challenging Behaviours in the Classroom

This highly engaging, hands on full-day workshop will explore the preventative strategies that assist students with challenging behaviours to be more successful at school. De-escalation strategies and Sensory Intervention techniques will be explored. A step-by-step management plan for when things get difficult and proactive behaviour support plans will also be covered.

Dates: 1st April 2019

Time: 9:30am to 3:00pm

Location: The Austin School, Heidelberg

Cost: \$100 per person

This workshop is appropriate for all school staff including Teachers & ES. The session also meets the VIT Special Needs PD requirement.

Register online now, places are limited! Visit <https://austin-hospital-school.eventbrite.com.au>

The Austin School provides specialised educational services to students aged five to eighteen years who have significant emotional, physical and/or psychiatric issues. Teachers work closely with the multidisciplinary team from Austin Health and liaise with the student's home school.

Matthew Di Domenico is a qualified teacher with a Master of Education (Special Education, Inclusion & Early Intervention). He has worked in both Mainstream and Special Education settings. Matthew has worked at the Austin School for 6 years in the Child Inpatient Program, Social Education Program and Social Skills Program.
