

MOBILE PHONES – STUDENT USE

PURPOSE

To explain to our school community the Department's and the Austin School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at the Austin School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

The Austin School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At the Austin School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information).
- When emergencies occur, parents or carers should reach their child by calling the school's office or classroom phone.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at the Austin School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at the Austin School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that the Austin School does not have accident insurance for accidental property damage or theft. Students and their

parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the the Department's [Personal Goods policy](#).

Where students bring a mobile phone to school, the Austin school will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At the Austin school students are required to store their phones either in their bag or handed into the program teacher to be placed in a lockable file.

Enforcement

If a student fails to comply with the policy. Staff will comply with the Department's [Ban, Search and Seize Harmful Items](#) policy relating to 'other items'. Staff should instruct the student to hand over the item(s) and if the student refuses to hand over the items, implement the relevant disciplinary provision within the *Student Wellbeing and Engagement* policy.

Students who use their personal mobile phones inappropriately at the Austin school may be issued with consequences consistent with our school's existing student engagement policies including our *Student Wellbeing and Engagement* and *Bullying* policies.
